Dr. Theron J. Jackson, Pastor

Ye also, as lively stones, are built up a spiritual house, an holy priesthood, to offer up spiritual sacrifices, acceptable to God by Jesus Christ.

And so the journey begins! What a joyous celebration we will have when on First Fruits Sunday we will gather as one and bring forward to the altar our first campaign financial gift! This day will officially begin our three-year journey to building a new sanctuary. Morning Star has proven to be a strong, committed church. Let us continue to be living stones used to build a strong, evangelizing church that serves the people of God within our church boundaries and throughout the community.

A Message From Our Leaders

Deacon Rayfield Casey & Sister Lisa Casey ***Campaign Manager A***

It is very humbling to be given the opportunity to serve as leaders for the Lifestyle Stewardship Campaign. We love Morning Star Missionary Baptist Church and our Pastor, Theron Jackson. It is a blessing to be a part of a growing church and a growing people. We are true believers in God's vision set forth by our Pastor for our church. We thank God in advance for an overflow of sacrificial and cheerful givers. Our prayer is that you would allow God to speak to your heart. Your commitment will not only bless our church but will bless you spiritually as well as others. We encourage you to continue Praying, Paying and Praising because the Best is yet to come!

2 Corinthians 9:6 "...whoever sows sparingly will also reap sparingly, and whoever sows bountifully will also reap bountifully."

Deacon Andre Elias & Sister Schwuana Elias ***Campaign Manager B***

We are truly honored and grateful to God as well as thankful to our friend and Pastor to have been chosen to give leadership in this awesome endeavor, our Lifestyle Stewardship Campaign. We know that before you can build a building, you must build a people. We thank God for the opportunity to grow while we develop relationships and become a unified body in Christ. Our prayer is that the willing hearted be so committed that we have more than enough!

Exodus 36: 5-7 "The people have given more than enough materials to complete the job the Lord has commanded us to do!"

Deacon James White & Sister Odessa White ***Leadership Campaign Directors***

We are very excited to be a part of the steering committee for our Lifestyle Stewardship Campaign: "Living Stones Building a Church" This campaign draws our entire church to a time of prayer and participation. We are being challenged to commit to a new level of faith, service and love. Please join us in our capital campaign. This campaign is not just about giving, but also about sacrifice, dedication, developing spiritually and developing economically, so that we can grow as a church and serve more people in the community. Let's show our faithfulness in God's promise by making a commitment to our Lifestyle Stewardship Campaign as we fulfill our mission statement to "make disciples by loving God, loving others and serving the world."

2 Chronicles 29:31 "...so the assembly brought sacrifices and thank offerings, and all whose hearts were willing brought burnt offerings."
